**WITH THE STRENGTH
WE DRAW FROM OUR
ROOTS, TOWARD
THE FUTURE.**

Salix Arms is an independent and specialized firearms manufacturer based in Konya, Türkiye, operating within a strategic partnership and sister-company structure with one of the country's established producers, Balıklı Arms. At its modern production facilities, Salix Arms combines traditional gunsmithing craftsmanship with the micron-level precision of over 300 CNC machines, delivering manufacturing excellence at the highest standards.

Distinguished by its versatile manufacturing capabilities, Salix Arms is not limited to a single segment, offering comprehensive engineering and production expertise across rifles, pistols, and multiple firearm platforms. Supported by an experienced quality control team, every order is meticulously inspected from the initial stage through final delivery, ensuring reliability, durability, and consistent performance. Products developed for the defense industry, law enforcement agencies, and professional users reflect Salix Arms' commitment to engineering precision and uncompromising quality. Exports to more than 45 countries worldwide stand as a strong testament to the brand's globally recognized standards and trust.

WEIGHTLESS POWER, PERFECT BALANCE

A FIREARM SHOULD BE AN EXTENSION OF ITS USER'S ARM.
THANKS TO OUR ENGINEERING THAT BRINGS THE CENTER OF GRAVITY TO
YOUR FINGERTIPS, THE ONLY THING BETWEEN YOU AND THE TARGET IS AIR.
SALIX DELIVERS NOT THE INERTIA OF HEAVY METAL, BUT THE AGILITY OF
LIGHTWEIGHT ALLOYS AND CARBON FIBER.
DON'T FEEL THE POWER. CONTROL IT.
